Antibes - Cannes - Nice - Hyères/La Crau - Biarritz - Paris

ATOLL JUNIORS was created by the founding management of the CENTRE INTERNATIONAL D'ANTIBES which has been in operation for the past 19 years, and has demonstrated expertise in the organization of language holidays for young people referred to herein as ATOLL JUNIORS.

- PARIS

Our programs are "all inclusive". It includes full board or half board, the courses, the accommodation and the activities, excursions, organization, supervision (with the exception of Paris return transfer to station or airport).

Atoll Juniors

Our philosophy has been to offer holiday courses, not holidays with lessons attached. Our teachers, all specialized in teaching your age-group, will show you how improving your language skills can be a pleasure :

20 or 26 weekly group lessons, except Biarritz with 15 or 20 lessons,

Teachers

All have graduated from a University with training experience in the field of teaching French for young foreigners.

The teaching

will ensure that you make real progress in learning French. Your progress will be carefully assessed and an individual certificate of evaluation will be handed to you at the end of your stay. A director of studies is available in each center to answer all your questions or deal with any requests you may have.

Classes

Our classes have a maximum of 15 students that are mainly German, Spanish, Italian, Scandinavian or Russian.
